Election Tuesday

Tuesday the election comes off after a most exciting campaign. Both parties have apparently, left nothing undone to further their interests, but with the exception of a few Republicans who will vote for Black for personal reasons, we know of none on either side willing to cross over into the enemy camps.

The Republicans have based their claim for votes on the ground that Morrow will economize, and that Democrats have caused expenses to increase too fast. This is not good for every body knows that expenses of everything is two or three times higher now than when Willson was Governor. It is but a necessary fact that State expenses must increase as does every other item.

Since Wilson was Governor the Confederate pension Department has been established. This costs thousands of dollars every year, the Department of public roads has also been established since Willson was Governor. This department alone spends three quarters of million dollars yearly on the roads. The illiteracy commission is another institution created since Willson was Governor. This calls for considerable money.

The State tax rate under Willson was 50 cents on the hundred dollars. Under Stanley it is 40 cents.

To curtail expenses it will be necessary to stop the Confederate pensions; to abolish the illiteracy commission; to abandon the State aid for roads. Is that the way Morrow proposes to curtail expenses?

Do you want this done and your taxes put back up to 50 cents? Then vote for Morrow.

If you want your state taxes to remain at 40 cts. and the Confederate pensions to remain; the state aid for the roads to remain, and the illiteracy commission to continue, vote for Black.

While The Times does not endorse the Stanley administration in to, our observation has always been that any candidates that propose to do the absolute impossible, as is the case with Morrow etc., the result is always a complete failure as was the case in the Bradley and Willson administration. We see no remedy by voting for Morrow.

On the contrary, we do expect a one hundred per cent. improvement in Black and Shanks over Stanley. They are far better men and will make good, we do not doubt.

Court Day Speaking

Virgil Chapman, a prominent young attorney, of Irvine, will speak at Stanton Monday afternoon at one o'clock in the interest of the Democratic nominees. Mr. Chapman is a University of Kentucky graduate and a coming lawyer of Eastern Kentucky. Every voter in the county should hear Mr. Chapman since he is well informed on the issue before the people of Kentucky.

Ships Car of Hogs

Mr. H. Brashear shipped a car of hogs to Cincinnati last week. These hogs were of his own feeding. He was offered twenty cents per pound for them several weeks ago, but held them for a later market to feed them a lot of barley feed he had just purchased with the result of a much lower market. Mr. Brashear estimates that his hogs would have brought him just as much before he fed them his barley as after. But such is the farmers luck, and has always been.

Corn Badly Demaging

The continual rains and warm weather the past week has caused much corn in the shock to sprout and damage. Many farmers are shucking and spreading it, where they have the room. This seems all the way to save it. It turned cooler yesterday, which probably indicates a check in the rain. If it continues cooler it will at least stop the corn from sprouting on the ears. Fall grass was never better, and wheat is looking unusually fine owing to the wet warm weather.

Big Land Sale

The big land sale of the A. B. Hampton estate, advertised in The Times last week, was consummated in Mt. Sterling Saturday and Winchester Monday. The sale comprised 1949 acres in Montgomery and Clark counties, and brought an average price of something over \$150.00 per acre. Benton & Davis, attorneys, conducted the sale through Master Commissioner J. A. Boone. The total realized from the sale amounted to \$291,274.40.

Improving Lots

Judge D. R. Daniel is completing quite a commodious combination barn in the eastern portion of the city. It will be used partly as a stock barn, but mainly as a place of storage for automobiles, vehicles and farm implements. Mr. Daniel will later build a new residence adjoining.

Groves local librarian. The library contains 50 books and are for the public without charge and it is desired on the commission that all persons interested in reading them well make free use of this privilege.

A deposit of \$1.00 will be required of each person taking books, and same will be refunded when books are returned to the librarian.

October Courtday

Monday was regular county courtday and one of the largest crowds of the year was in town. Some 7,000 head of cattle were on the market and found a ready sale at prices somewhat higher than last courtday. A number of big buyers from other states were present and bidding was spirited all day. A few, 1,000 pound steers sold for 11 cents; 900 pound steers at 9 cents; 700 pound steers at 8 and 9 cents; cows from 5 to 9 cents; canners 4 to 5 cents. There were no hogs or sheep offered and very few mules.—Mt. Sterling Gazette.

Two Real Estate Deals

Ballard Begley has purchased of Grant Shoemaker house and about two acres of land in Waltersville for \$700. Mr. Shoemaker has purchased of Walter Barnett house and two acres of land 1 mile from town on the Irvine road for \$450. This property adjoins Mr. Shoemaker's farm that he bought in the spring. Mitchell Todd, who lives in the house purchased by Shoemaker, will move to the new purchase of Mr. Begley.

Advertisers Crowding Us

Our advertisers are making great inroads on our space this week, especially the candidates. But the election will be over next week, and this will give us relief from this form of advertising, when we hope to be able to give our readers more news if the news will just happen.

R. W. Garrett Ships Hogs

R. W. Garrett shipped forty-six 230 pound hogs to the Cincinnati market last week and received from 11 to 13 cents per pound for them. J. S. Ewen, of Stanton, also shipped some the same day in the car with Mr. Garrett and received from 9 1/2 to 13 cents.

KENTUCKY BAPTISTS

PUT CAMPAIGN FIRST

Indications Point To Certain Victory In 75 Million Drive.

Situation There Outlined

Rev. J. R. Black, Publicity Director, Describes Progress In the Blue Grass State To Date.

REV. J. R. BLACK

By REV. J. R. BLACK
Kentucky Publicity Director

The organization of Southern Baptists for the raising of 75 million dollars for all phases of work fostered by this people has now been pushed out until all of the 18 Southern states have followed the suggested organization. Kentucky is not behind in the number for in the 76 district associations there are now 70 associational organizers, 74 associational publicity men and 60 W. M. U. organizers. It is the purpose to have one of each of these in each association and then in the local church there will be an organizer in addition to the pastor, who is the director, a W. M. U. organizer and three boosters, who will do the publicity work. The organization has also extended until practically all of the 1,850 Baptist churches in Kentucky have these officers in charge and every effort is now being made to bring information and prepare for the great drive which will be made in one week's time, the date of which is November 30th to December 7th.

The state organization is in charge of Rev. O. E. Bryan, Corresponding Secretary of Missions, Louisville, Ky., Prof. John L. Hill, of Georgetown College, State Organizer and Director, Georgetown, Ky., and Rev. J. R. Black, Publicity Director, Louisville, Ky.

At the general office in Louisville the most encouraging news is being continually received. The people all over the state are so enthusiastic about the campaign that from every quarter responses are now coming and some churches cannot wait for the drive to be made but are now pledging and giving more than was asked of them. The last message received was from Poplar Grove church in Graves county, which was asked for \$5,000, and after a sermon by the pastor pledges were made and the amount was more than raised. This has been done in many other places.

The information that is coming to the Baptists is probably one of the greatest benefits that is being derived from the campaign. A pastor in a mountainous association who had been preaching for over thirty years and had always maintained a position against the support of the ministry, and who did not believe in missions, stated at the meeting of the district association which he attended that he had learned more in this meeting of what God intended he should do to send the gospel to the other side, as well as to his neighbor, than in all his life before. A layman who had never given to missions, or much for any object of the church, said he wanted to give \$200 a year for the five years of the campaign. A railroad man upon hearing the call gave at once a fifty dollar Victory bond and said this was not to be counted as his part when the drive was made. From these to a great gift of \$30,000 by Mr. George E. Hays of Louisville the Baptist people are being reached and are enthusiastic to have a part in the great undertaking.

The one day in October that will be emphasized above all other days is the fourth Sunday, October 26th, which is

the day set aside and known as the day for "Calling Out the Called." Kentucky expects to have at least 300 young people to dedicate their lives for special religious work on this day. Ministers, pastors, Sunday School workers, pastors' assistants, and B. Y. P. U. workers will hear the call for these different lines of service on this day.

One of the most hopeful signs that the Baptists have is the fact that the Southern Baptist Theological Seminary had on October 1st the largest opening of any in the past three years. The W. M. U. Training School at Louisville had 123 young ladies enrolled for special training. Everywhere the campaign has gotten first place in the thinking of the Baptists, and at this time Kentucky Baptists are going forward to do a little of what they have been waiting many years to do.

Dear Sir:

Just a few items for your paper.

During the past week we have been attending the International Convention of the Church Disciples of Christ, Musical Hall, Cincinnati.

Met quite a number of old acquaintances and friends. We certainly were surprised to meet with Brother Edward French, of Virginia, Ill. He and his wife have been our guests for the past week. We are always so glad to have dear old Kentucky friends, especially from Powell county, with us.

The Convention was attended by Delegates from all over the world. Over ten thousand Delegates registered, so you see we certainly had quite a little crowd.

On last Saturday and Sunday we had for our guests my husband's brothers, George and Monteville Jackson, of Middletown, Ohio, Linville Jackson, from overseas, now stationed at Ft. Thomas, still in the U. S. service.

We are always so glad to get our paper, as it's almost like a letter from home.

**Vote For Morrow and the
Straight Republican Ticket**

Election Day, Tuesday, Nov. 4

Elect Governor Black Tuesday

Kentuckians! The issues are clear! On its record in State and Nation, a united Democracy asks you to answer these questions by yours vote on Tuesday, November 4th.

Will a Ringing Message of Cheer go to that sick chamber in Washington, or will Kentucky go under the cloud of support of those men w. o are seeking to discredit America's Greatest Statesman, purely for partisan Reasons?

Will Kentucky go forward to four years of progress under the leadership of Governor James D. Black, or will it become a pawn in the hands of A. T. Hert, whose sole use for our State is the furtherance of personal ambition?

Morrow's Todays Are All Yesterdays

Seemingly, he does not know that it is Gov. Black who is his opponent in the present race. His entire campaign has been one of "what he would have done."

He has said he would have kicked out the School Book Commission, though even he must have known that that would have made him a law-breaker. The question naturally arises—would he, as governor, care for the laws of the state?

He has criticised the new tax law, though he knows that he gave it his indorsement and that it bears the name of a fellow Republican. Not he—but Gov. Black instead—has made constructive criticism of this law.

He has continually talked of "cleaning house at Frankfort" and charged the maintenance of useless offices—yet to repeated demands he has not dared named one charge against any man nor specifically state one office he considered useless.

Far Out of Step With Kentucky's Progress

Morrow has gone far back to Augustus E. Willson's administration for comparison of expenditures. By doing this, he has shown a lamentable lack of knowledge of the costs of today and of the yesterday in which he has been living.

He has shown, too, a surprising lack of knowledge of the onward sweep of progress that Kentucky has been making.

Seemingly he does not know that since Gov. Willson's term a Good Road Department has been established and it has built 1,740 miles of good roads, at a cost to the state of \$3,040,911.00.

Seemingly he does not know that Kentucky now has 13,000 rural schools while under the Willson administration there were but 8,000. It is any wonder \$2,800,000 more has been spent for educational purposes.

Not Too Late, Judge!

Judge Bethurum, it is not too late! You publicly stated that you would withdraw the Republican nominee could it be shown that he had a hand in the tobacco cases of Grant County.

At the same time your candidate was admitting that he wrote a letter opposing the pardon of the five farmers convicted. You need not even take his word for it. Attorney General Palmer will tell you, as he has told all of Kentucky in a published letter, that the files in his office at Washington show that Morrow did oppose the pardon that was rightfully granted these men.

Make good your word. Your candidate's guilt is proven. It is up to you.

Ballard

Self-Confessed Profiteer

Thruston Ballard, the multi-millionaire president of Ballard Mills, of Louisville, was the man chosen by A. T. Hert for his hand-picked Republican ticket as a candidate for Lieutenant Governor. A close personal and business friend of Mr. Hert's with ample funds at his disposal for campaign purposes, it is easy to see why he was chosen for as the nominee for this office.

Admits Selling His Flour at \$1.10 Less in New Orleans Than in His Own State.

This is the man who is running with Mount-Piece Morrow at the head of the Republican ticket—the man who, by his own admission, pleaded guilty to being a profiteer. Not satisfied with profiteering, the defense he made of his action is a slap at the people of Kentucky. The reason he gave is that he sells his flour for cash in New Orleans—as though Kentuckians could not pay cash!

Black Fights For League of Nations But Morrow Only Equivocates!

The Republican nominee is already listening to "His Master's Voice." To Gov. Black's repeated challenges as for or against the League of Nations he has given only evasive answers. He dare not face the issue fairly and squarely.

Yet is there anyone who doubts that the election of Morrow will be hailed by Republicans as a victory in their fight in opposition to the League of Nations.

Elect Morrow governor and they will come out from under cover and in glaring headlines announce that Woodrow Willson's stand for civilization had been repudiated.

By their evasion they stand against it—they make it an issue.

Kentucky gave nearly three thousand of her sons to make the world safe for democracy. Will their lives have been given in vain? Will Kentucky continue to uphold the hands of Woodrow Wilson, to whom the peoples of the world are looking for leadership? Your votes Tuesday will decide.

Shall A. T. Hert Rule Kentucky?

Hark to What Chairman Rhea Said of A. T. Hert, the Republican "Boss" of Louisville, in His Speech at the Opening of the Democratic Campaign at Hopkinsville.

"Shall A. T. Hert, lately of Indiana, now of Kentucky, be allowed to name the members of the State Tax Commission? Shall he and his millions dominate the politics of this state for the next four years? This is the most vital issue facing the people of the State today.

"Shall Mr. Hert, with the aid of Thruston Ballard, the profiteer, and the other millionaire candidates on the Republican ticket, be allowed to take over the State government outright? Behind Mr. Morrow's booming voice is the cunning hand of Hert. Morrow is the mere mouth-piece of Hert. The voice is that of Jacob, but the hand that of Esau. Shall Hert build a bridge from the Louisville City Hall to the State Capitol? Shall the Louisville Republican machine extend its sway to Frankfort?"

DO KENTUCKIANS WANT TO SEE HIM USE THE GOVERNOR'S MANSION AS A STEPPING-STONE TO WASHINGTON?

Vote the Democratic ticket and vote it straight.
